If a family is not able to meet their financial obligation to our school community on time, a courtesy note or telephone call to Sharon Ehsman, Personal Assistant to the Principal (07 5491 4522), is expected. The accounts of families, who ignore their financial responsibility to our school community without communicating with us, will be passed on to our Debt Collection Agency.

Will your family have difficulty in meeting its financial obligations to our school community? If so, please read on...

OLR School, Caloundra, is open to all children whose families support the vision of our school regardless of financial circumstances. Families who are unable to pay the required Fee and Levies are still expected to contribute financially. The expected contribution is calculated using the guidelines developed by the Brisbane Archdiocese’s Catholic Education Office. This involves families completing a Concession Application Form (available from Reception) and submitting with the required supporting documentation. The application is then analysed against the Family Poverty Scale and Accommodation Cost Index prepared by the Australian Bureau of Statistics. Concession Applications are required to be completed annually even if a family’s financial circumstances have not changed.
