

Our Lady of the Rosary School

Safeguarding Plan

2026

Version: V1

Last updated: 31.3.26

Our Safeguarding Commitment

As an agency of the Archdiocese of Brisbane, we have a zero tolerance for all forms of abuse and are committed to safeguarding everyone involved in its activities, ministries, and services. The safety and wellbeing of children and adults-at-risk is paramount.

Accessibility

Brisbane Catholic Education is committed to providing accessible services to people from all culturally and linguistically diverse backgrounds. If you have difficulty understanding this document, you can contact Translating and Interpreting Service National on 13 14 50 to arrange for an interpreter to translate it for you.

Acknowledgement of Country

Brisbane Catholic Education acknowledges the Traditional Custodians of the lands on which our schools and offices stand. We honour the enduring relationship with Country, the lands, waters and skies that have been cared for through wisdom, responsibility and love for tens of thousands of years by First Nations peoples. We extend our deep respect to Elders past and present, and to Aboriginal and Torres Strait Islander peoples who continue to nurture culture, community and identity across generations.

We give thanks for the rich cultures, Spiritualities and knowledges that First Nations peoples share with us. These ways of knowing, being and doing continue to shape our understanding of community, justice and care for one another and for creation.

As a Catholic education community, we commit to embedding cultural safety in our school so that Aboriginal and Torres Strait Islander children, families and staff are seen, respected and affirmed, and so that no one experiences harm, exclusion or silence because of culture or identity.

Cultural safety calls us to listen deeply, to reflect honestly on our histories, and to walk together in humility and courage. It asks us to ensure our classrooms, relationships, policies and practices uphold dignity, belonging and justice for all.

May we continue to walk gently and respectfully together, learning from First Nations peoples and from one another, so that our school is a place of welcome, truth-telling and hope.

May we be one in land, one in Spirit, one in Faith, united in God's love, committed to justice, and faithful to the responsibility entrusted to us as educators of this land.

Introduction

Because wherever a child or vulnerable person is safe, there you serve and honour Christ.

Pope Francis written address to the Pontifical Commission for the Protection of Minors' plenary assembly in Rome March 24-28, 2025.

Our Lady of the Rosary School, Caloundra, is committed to creating environments where children and young people feel protected, valued, and heard. Safeguarding is a shared responsibility, and every child has the right to grow and thrive free from harm. We are guided by our Christian Catholic Tradition and the teachings of Jesus Christ who advocated for the protection of children and the marginalised. Our mission to teach, challenge and transform through our educational endeavours is actioned by Catholic Social Teaching, as part of the Archdiocese of Brisbane.

The Queensland Government recently introduced new Child Safe Standards. These Standards clearly outline what child safe organisations must do to create environments where children are protected, respected and able to speak up. They focus on building safe, welcoming cultures, hearing and valuing children's voices, working closely with families, celebrating diversity, making sure the right people work with children, responding quickly to concerns, and always looking for ways to improve safety.

Throughout 2026, our school will review its compliance against the new Child Safe Standards using a phased approach in line with Queensland Family and Child Commission guidelines. We will review, self-assess and report against selected Standards each term, building towards full implementation and continuous improvement across all Standards by the end of the year. This staged process allows Our Lady of the Rosary School to embed the Standards meaningfully and ensure our practices reflect the needs, voices and safety of our students.

As a Catholic school within the Archdiocese of Brisbane, we honour the Archdiocesan Safeguarding Commitment and uphold the values of Catholic education in our safeguarding practices.

This School Safeguarding Plan is developed in consultation with students, families, and employees, and is contextualised to our local school environment. It reflects our commitment to continuous improvement, cultural safety, and child-centred practice, and is supported by both Brisbane Catholic Education policies and procedures and school-specific safeguarding actions. Further Information about BCE wide practices can be accessed [here](#).

For more information or to request accessible formats, please contact the school Principal.

The Archdiocese has zero tolerance for all forms of abuse and is committed to safeguarding everyone involved in its activities, ministries, and services. The safety and wellbeing of children and adults-at-risk is paramount.

The Child Safe Standards

Standard 1: Leadership and Culture

Child safety and wellbeing is embedded in the entity's organisational leadership, governance, and culture.

Standard 2: Voice of children

Children are informed about their rights, participate in decisions affecting them and are taken seriously.

Standard 3: Family and community

Families and communities are informed and involved in promoting child safety and wellbeing.

Standard 4: Equity and diversity

Equity is upheld and diverse needs respected in policy and practice.

Standard 5: People

People working with children are suitable and supported to reflect child safety and wellbeing values in practice.

Standard 6: Complaints management

Processes to respond to complaints and concerns are child-focused.

Standard 7: Knowledge and skills

Staff and volunteers of the entity are equipped with the knowledge, skills, and awareness to keep children safe through ongoing education and training.

Standard 8: Physical and online environments

Physical and online environments promote safety and wellbeing and minimise the opportunity for children to be harmed.

Standard 9: Continuous improvement

Implementation of the Child Safe Standards is regularly reviewed and improved.

Standard 10: Policies and procedures

Policies and procedures document how the entity is safe for children.

Universal Principle

Requires child safe entities to provide an environment that promotes and upholds the right to cultural safety.

Safeguarding Focus Areas

The 10 standards are grouped under four key focus areas:

The Universal Principle

Ensuring cultural safety through the Universal Principle is essential for Aboriginal and Torres Strait Islander students and families.

While the Principle intentionally focuses on First Nations children, the cultural safety indicators which make up the Principle are designed to adopt a proactive and comprehensive approach to safeguarding, ensuring that policies, and practices are inclusive for all children, particularly those who may be marginalised or vulnerable. The Universal Principle is embedded within all 10 Standards.

Cultural Safety Indicators

- 1 Transformational unlearning** – Organisations must challenge unconscious bias, racism, and discrimination within their structures and workforce.
- 2 Negotiating values, motivations, and paradigm** – Policies and programs should be co-designed with Aboriginal and Torres Strait Islander communities to reflect their perspectives on child safety.
- 3 Prioritising social and emotional wellbeing and health** – A holistic, strengths-based approach must be adopted to support the wellbeing of Aboriginal and Torres Strait Islander children, staff, and families.
- 4 Sharing power and decision-making** – Decision-making processes should be led or co-led by Aboriginal and Torres Strait Islander peoples to ensure genuine partnerships.
- 5 Sharing resources** – Organisations should dedicate resources to Aboriginal and Torres Strait Islander led initiatives, research, and governance mechanisms, where appropriate.
- 6 Creating a strategic enabling environment** – Leadership must set clear priorities and accountability structures ensure cultural safety into daily operations.
- 7 Operating on Aboriginal and Torres Strait Islander terms of reference** – Service delivery to Aboriginal and Torres Strait Islander children should be grounded in Aboriginal and Torres Strait Islander knowledge systems and self-determination principles.
- 8 Accountability and continuous quality improvement** – Progress should be measured using Aboriginal and Torres Strait Islander-defined success indicators, ensuring sustained improvement.

The Cultural Capability Framework

This framework enables Brisbane Catholic Education to develop a workforce grounded in Aboriginal and Torres Strait Islander cultural humility, enabling responsive and innovative practices that contribute to Reconciliation. The Cultural Capability Framework and Molum Sabe assists our workforce to critically reflect on individual and organisational practices and develop effective practices across four cultural standards:

Teaching

Culturally responsive teachers and education professionals create the conditions for respectful relationships with Aboriginal and Torres Strait Islander peoples, and learning of knowledges, identities, cultures and languages.

Relationships

We develop relationships and connections with Aboriginal and Torres Strait Islander employees, students, families and communities to build and sustain inclusive and culturally safe practices and environments.

Environment

We establish an inclusive and culturally safe environment, where Aboriginal and Torres Strait Islander employees, students, families and communities feel a sense of belonging and connection.

Leadership

All employees are accountable for building and sustaining inclusive and culturally safe practices and environments with Aboriginal and Torres Strait Islander employees, students, families, and communities. Leaders have additional responsibilities to articulate a clear vision and provide ongoing cultural capability development opportunities for employees.

Standard 1: Leadership and Culture

Child safety and wellbeing is embedded in the entity's organisational leadership, governance, and culture¹

Brisbane Catholic Education's commitment to Standard 1

At BCE, student safety is central to how we plan, think and act, shaping a safeguarding culture that protects their safety and wellbeing. We use a whole of organisation approach; led by strong leadership, embedded in practice and supported through shared responsibility. Clear policies, codes of conduct, Student Protection Processes and risk management plans set behavioural expectations and guide how we keep children safe. Our Safeguarding Policy aligns with the Archdiocese of Brisbane Safeguarding Framework and is available on our website. Leaders are accountable for ensuring these requirements are followed and continually improved. Safeguarding is a system critical foundation of the BCE Strategic Plan 2025–2027 and an identified enterprise risk, monitored through regular monitoring, internal audits and escalation pathways. Governance transparency is reinforced through quarterly reporting to the BCE Executive Team, Safeguarding Committee and Catholic Education Council, including assessments of practice effectiveness and improvement progress. We take a strong stand against discrimination, bias or harm toward any child and are committed to cultural safety for Aboriginal and Torres Strait Islander peoples.

What Standard 1 looks like at our school:

At Our Lady of the Rosary School, we are committed to prioritising every student's safety and wellbeing, this includes ensuring Aboriginal and Torres Strait Islander children, families and Community feel welcome, safe, valued, included and respected. At Our Lady of the Rosary School, we sing the acknowledgement of country at every assembly, which demonstrates our commitment to ensuring the safety and wellbeing of First Nations students and their families. Our Aboriginal and Torres Strait Islander children are invited to an annual BCE cultural day. Aunty Hope, a Kabi Kabi elder, has a historical connection to our school community. We look forward to reconnecting with Aunty Hope and seeking guidance as we explore aspects of our Reconciliation Action Plan that can support the wellbeing and cultural safety of any Aboriginal and Torres Strait Islander children in our care.

The Archdiocese of Brisbane Safeguarding Commitment displayed in our school foyer and meeting space and the child safe standards are displayed in the Principal's office. This Safeguarding Commitment serves as a regular reminder that at Our Lady of the Rosary School the safety and wellbeing of our students are paramount.

At Our Lady of the Rosary School, we deliberately allocate time during our weekly leadership meetings to focusing on student safety and wellbeing. It is the first agenda item at our meeting. This ensures we put the safety and wellbeing at the front of our minds and centre of every decision we make, from curriculum planning to staff recruitment. Our newsletter includes a 'Parent Sway' link, which takes parents to important school information highlighting aspects of the BCE Code of Conduct such as respectful communication or safe boundaries. This helps families understand what they can expect from staff and what staff expect in return.

¹ Alignment with National Catholic Safeguarding Standard (NCSS): Standard 1: Committed Leadership Governance and Culture | Working with Children (Risk Management and Screening) Regulation 2020 (Qld), Schedule 1, Section 2(1), (2)(a) and (2)(b) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s 6 (1), (2) and s9 (e)

Standard 2: Voice of children

Children are informed about their rights, participate in decisions affecting them and are taken seriously²

Brisbane Catholic Education's commitment to Standard 2

We strive to create a culture where every child feels safe, heard and confident to share their ideas or concerns. Our employees and volunteers are supported to engage respectfully with students, listen carefully, and respond to their immediate needs. BCE's school safeguarding storybooks and animation series help explain our policies, processes and key safeguarding concepts to students in age appropriate ways. We also support schools to deliver Consent and Respectful Relationships Education so students understand their rights, identify trusted adults, and build positive, healthy and respectful relationships. Each year, students across all BCE schools are invited to share their views through the *Tell Them From Me* survey. This feedback helps us understand how students are feeling, their concerns and how we can strengthen safety and support in our schools. Our Student Voice Program gives students a platform to contribute to BCE wide decisions affecting their safety, wellbeing and learning. Our Archdiocesan First Nations Student Representative Council and our Aboriginal and Torres Strait Islander Education Team help co-design culturally safe policies and practices.

What Standard 2 looks like at our school:

Our Lady of the Rosary (OLR) students learn about their rights to safety and responsibilities through the HPE curriculum and General Capabilities. Learning explicitly explores respect, boundaries, consent, inclusion and help-seeking. Lessons are revisited at developmentally appropriate stages so understanding grows as students mature. Safeguarding concepts are not taught once but are reinforced across year levels.

OLR school signage, playground design and common areas visually reinforce student safety and belonging. Our posters that are up around the school explain student rights, expected behaviours and where to get help using child-friendly language and images. The student protection contacts are clearly identified by name and photo on posters and the PB4L matric is visible in every classroom.

Students are explicitly taught about who the Student Protection Contacts (SPCs) are at OLR and child-safe reporting pathways in age-appropriate ways. OLR staff ensures that students know who they can talk to, how to ask for help, and what happens when a concern is shared.

At OLR we offer lunchtime clubs and structured play/activity opportunities to support those who may feel isolated, have trouble connecting with peers or looking to make new friends. These lunchtime activities have included boardgames in the library, karaoke, Lego, academic, STEM, yoga and disco clubs. They are supervised and supported by staff who can encourage and model for students how to create these connections with peers in the context of an activity.

Risk assessments are a key part of keeping students safe at OLR. Event and activity risk assessments include safeguarding considerations and are supported by structured pre-activity briefings for staff and volunteers, including incidents during excursions, camps and events, and (where relevant) consideration of individual student circumstances and needs. Some teaching staff at OLR have attended the BCE workshop on Consent and Respectful Relationships Education (CRRE).

During National Child Protection Week, OLR participates in Australia's Biggest Child Safety Lesson with the Daniel Morcombe Foundation. In addition to this we use the 'Day for Daniel' as an opportunity to spotlight and reinforce student safety messages across all year levels.

² Alignment with National Catholic Safeguarding Standards: Standard 2 Children and Adults Are Safe, Informed and Participate | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2(8) (a) (ii) | Education (Accreditation of Non-state schools) Regulation (Qld) 2017 s 16(4) (a)-(b)

Standard 3: Family and community

Families and communities are informed and involved in promoting child safety and wellbeing³

Brisbane Catholic Education's commitment to Standard 3

Student safety, wellbeing and learning are best supported when families and schools work together and share responsibility for protecting students. At BCE, we believe informed and engaged families and communities are essential to creating safe learning environments. We support schools to partner with families in ways that are consistent, respectful, culturally safe and shaped by local needs. We also make sure families and community members have clear, accessible information about our safeguarding approach and how to raise concerns. Each year, parents and caregivers share their perspectives through the *Tell Them From Me* Parent Survey. This feedback helps BCE understand family experiences and concerns, guiding improvements that make our schools safer and more supportive for students.

What Standard 3 looks like at our school:

At OLR, families are actively invited to participate in planning and decision-making processes that affect their child. This includes involvement in personalised learning support plans (PLSP), behaviour support planning, re-entry meetings following absence, and safety or wellbeing planning where required.

At OLR, we engage families and students in risk management procedures. For instance, when developing specialised plans for school camps involving students with medical needs, both the student and their family are consulted to provide input into the risk management plan so students and their families can be fully aware of safety measures being put in place, and the expected response should concerns arise.

OLR creates regular, informal opportunities for connection with families through community events such as BBQs, welcome evenings, morning teas, open classroom sessions and celebrations.

At OLR, safeguarding-related operational decisions are shared clearly with families, including the reasoning behind changes, through a variety of accessible methods (e.g. Newsletter, parent Sways, community meetings).

The parent and friends advisory group committee provide structured opportunities for families to contribute to school direction and decision-making, with relationship-based efforts to engage families.

OLR has included First Nations families and community representatives on its Reconciliation Action Plan (RAP) Working Group in the past and will ensure that this occurs again, when the RAP is reviewed next term.

³ Alignment with National Catholic Safeguarding Standards: Standard 3 Partnering With Families Carers And Communities | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2(8) (a) (ii) | Education (Accreditation of Non-state schools) Regulation (Qld) 2017 s 16(4) (a)–(b)

Standard 4: Equity and diversity

Equity is upheld and diverse needs respected in policy and practice⁴

Brisbane Catholic Education's commitment to Standard 4

Every student deserves to flourish and has the right to learn in a safe, supportive and inclusive environment, free from discrimination, bullying and harassment. BCE supports all students, regardless of background, identity or ability, to access and fully participate in their learning. We embed equity at the heart of our culture through the Student Diversity and Inclusion Policy, the Student Wellbeing Policy and the Queensland Catholic Education Council's Inclusive Practice in Catholic Schools. We expect school practices to reflect each child's circumstances and needs, and to prioritise culturally safe, trauma informed approaches in planning, communication and engagement. The Engage Student Support System and the Multi Tiered System of Supports (MTSS) help schools provide a student centred, comprehensive continuum of support. These systems enable collaborative, targeted and personalised assistance for diverse learners. We also provide children with opportunities to learn about different cultures, people and communities through the Aboriginal and Torres Strait Islander Histories and Cultures Cross Curriculum Priority and the Australian Curriculum.

What Standard 4 looks like at our school:

At OLR, students are regularly reminded of who they can talk to if they feel worried or unsafe. This happens through classroom discussions, assemblies, visual resources and informal conversations, rather than being limited to induction or one-off lessons.

Each week, school leaders move around students while they are eating lunch, at play breaks and before and after school. This helps build connections and makes the leadership team approachable, so students know they can turn to them if they feel unsafe and helps break down barriers of authority within the school environment.

Complaints and concerns raised by or about students are handled transparently, with adults explaining processes in child friendly language, checking for understanding and revisiting explanations as needed; families are included so children are not left feeling blamed or confused.

At OLR, our school leadership team regularly review behaviour, wellbeing and attendance data to identify patterns and trends for student cohorts impacted by harmful behaviour. This includes reflecting on incident and process learnings and identifying strategies to reduce the likelihood of recurrence and minimise the impact of harm.

OLR Staff are committed to considering each student's unique circumstances before addressing issues related to behaviour, learning, or wellbeing. When needed, routines, expectations, and supports are changed - either temporarily or long-term - to match what the student is experiencing instead of applying a uniform approach. These modifications are noted in the student's individual support plan (if applicable), which is routinely reviewed with everyone involved: the student (in an age-appropriate way), their family, and any additional supports, including external agencies if parents provide consent.

⁴ Alignment with National Catholic Safeguarding Standards: Standard 4 Equity Is Promoted And Diversity Is Respected | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2(3) (a) (ii) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s 11, s 15 (a)

Standard 5: People

People working with children are suitable and supported to reflect child safety and wellbeing values in practice⁵

Brisbane Catholic Education's commitment to Standard 5

BCE supports schools to ensure that everyone working or volunteering with students is suitable, safe and capable of upholding child safety and wellbeing. Our recruitment and screening processes embed safeguarding at every stage, from role design and advertising through to interviews, reference checks, onboarding and performance development. The Employee and Volunteer Screening Procedure includes a role risk matrix, Blue Card screening requirements and clearly defined responsibilities. These help leaders identify potential risks to student safety and wellbeing and respond appropriately. BCE's Human Resource Information System, Ignite, operationalises these procedures and helps employees monitor and maintain their safeguarding screening requirements. Our Procurement Procedure requires all external providers engaging with BCE offices or schools to be child safe and compliant with relevant legislation. The Risk Management Framework guides how we monitor safeguarding practices in schools through established quality control mechanisms. These processes ensure schools can safely engage employees, volunteers and third parties, with appropriate oversight, training and supervision in place before any child related work occurs.

What Standard 5 looks like at our school:

In line with our implementation plan, at the end of Term 4 we will explain:

- How we screen and onboard employees, volunteers and third parties
- How we ensure safe supervision and conduct
- How we apply BCE recruitment and HR procedures for employees and volunteers
- How we track and keep safeguarding screening requirements current
- Evidence of practice and planned improvements

⁵ Alignment with National Catholic Safeguarding Standards: Standard 5 Robust Human Resource Management | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2(8)(b) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s 15 (b)

Standard 6: Complaints management

Processes to respond to complaints and concerns are child focused⁶

Brisbane Catholic Education's commitment to Standard 6

BCE fosters a culture where concerns about safety and wellbeing can be raised openly, respectfully and without fear. We support child focused complaint pathways that are accessible to students, families, employees and community members. Our policies and procedures outline reporting requirements, cooperation with authorities, and expectations for timely and safe responses to concerns. From 1 July 2026, BCE will implement Queensland's Reportable Conduct Scheme. This means BCE will report any reportable allegation or conviction, conduct investigations, provide interim and final reports to the Queensland Family and Child Commission, and immediately notify police of any suspected criminal conduct within required timeframes. BCE provides guidance and training to ensure complaints are handled in trauma informed and culturally safe ways, supported by Aboriginal and Torres Strait Islander Participation Officers and expertise from safeguarding, student protection, legal, wellbeing, school operations and program teams, and employee relations and investigations teams. System wide improvements are strengthening complaint handling processes, creating clearer pathways and embedding safeguarding expertise across the framework. These structures help schools respond to concerns with transparency, sensitivity and procedural fairness.

What Standard 6 looks like at our school:

In line with our implementation plan, at the end of Term 3 we will explain:

- How students and families can raise concerns
- How the school ensures child-focused, trauma-informed responses
- How complaints are recorded, managed and escalated and resolved
- How the school implements the Reportable Conduct Scheme
- Evidence of practice and planned improvements

⁶ Alignment with National Catholic Safeguarding Standards: Standard 6 Effective Complaints Management | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2 (4) (b) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s7 | Child Safe Organisations Act (Qld) Chapter 3

Standard 7: Knowledge and skills

Staff and volunteers of the entity are equipped with the knowledge, skills, and awareness to keep children safe through ongoing education and training⁷

Brisbane Catholic Education's commitment to Standard 7

BCE builds a confident, capable and culturally aware workforce committed to children's safety and wellbeing. Our Mandatory Safeguarding Training Framework sets clear onboarding and refresher requirements for all employees. Every year, BCE employees complete online student protection training covering indicators of child harm, grooming behaviours, how to respond to disclosures and mandatory reporting requirements. School staff also participate in additional face to face training each term on topics related to student safety and wellbeing. Staff who serve as Student Protection Contacts (SPCs) receive advanced training in managing disclosures and supporting colleagues to keep students safe. Volunteers and third party providers complete mandatory safeguarding onboarding before commencing any child related work, along with annual refreshers recorded in school registers in line with the Volunteer Policy and Procedure and Third Party Safeguarding Guidelines. BCE has developed a Cultural Learning Plan and Cultural Capability Framework to strengthen cultural competency and responsiveness, promote cultural safety and BCE's Ngutana-Lui Centre provides curriculum-aligned cultural learning for students and staff. All employee training is tracked through BCE's Learning Management System (iLearn), which issues automated reminders and provides compliance reports to managers.

What Standard 7 looks like at our school:

In line with our implementation plan, at the end of Term 4 we will explain:

- How employees, volunteers and third parties complete required safeguarding training
- How the school reinforces safeguarding practice throughout the year
- How cultural capability is embedded in training
- How the school monitors and supports employees and volunteers to undertake mandatory training
- Evidence of practice and planned improvements

⁷ Alignment with National Catholic Safeguarding Standards: Standard 7 Ongoing Education and Training | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2(8)(b) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s16, 4 (c)

Standard 8: Physical and online environments

Physical and online environments promote safety and wellbeing and minimise the opportunity for children to be harmed⁸

Brisbane Catholic Education's commitment to Standard 8

BCE is committed to creating healthy, safe and productive physical and online environments that support student wellbeing, prevent harm and safeguard everyone involved in our activities. We take a holistic, strengths-based approach that recognises all dimensions of a child's wellbeing – physical, social, spiritual, emotional and cultural. Building plans are reviewed with a focus on environmental risks that may affect children's safety. The BCE Health, Safety and Wellbeing (HSW) Policy and BCE Safeguarding Guidelines for School Design provide practical guidance to build safe, inclusive spaces with strong visibility, supervision and access control. To support online safety, BCE aligns with the eSafety Commissioner's Best Practice Framework and delivers the Australian Curriculum for Online Safety (P-10). The Acceptable Use of Devices and Digital Resources agreement promotes safe digital behaviour and is supported by content filters and monitoring tools. Policies such as the Employee Code of Conduct, IT Acceptable Use Policy and Privacy Policy outline expectations for safe online behaviour. BCE provides guidance to help schools maintain safe digital environments, and student safety considerations are embedded in risk assessments, school risk registers and organisation wide risk management processes.

What Standard 8 looks like at our school:

In line with our implementation plan, at the end of Term 3 we will explain:

- How physical spaces are designed and supervised for safety
- How the school promotes online safety for students
- How employees' model safe digital behaviours
- How both physical or online environmental risks are assessed and managed
- Evidence of practice and planned improvements

⁸ Alignment with National Catholic Safeguarding Standards: Standard 8 Safe Physical And Online Environments | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s 18 (1) s19

Standard 9: Continuous improvement

Implementation of the Child Safe Standards is regularly reviewed and improved⁹

Brisbane Catholic Education's commitment to Standard 9

BCE is committed to continual review, learning and strengthening of safeguarding practice across both system and school levels. Ongoing improvement ensures our policies, frameworks and practices evolve in response to emerging issues, data and feedback, and remain effective in preventing harm and promoting wellbeing. System wide reviews are carried out by the Assurance Team, Risk and Compliance Team and through school accreditation processes. These reviews assess the effectiveness of safeguarding measures and identify opportunities to strengthen practice. Critical incidents also trigger structured post incident reviews to identify risks, evaluate responses and enhance wellbeing supports for students and employees. Governance committees, including Safeguarding, Risk and Assurance, and People and Safety, monitor trends and support system wide improvements. Schools are supported to monitor their own safeguarding indicators, such as Blue Card compliance, attendance, bullying and wellbeing data, enabling a local cycle of review, reflection and continuous improvement.

What Standard 9 looks like at our school:

Every term, Our Lady of the Rosary School engages in an Admin staff meeting. This time allows staff to engage in policy and procedure review. Every term, Mr Haigh (Principal) provides a briefing to students and parents at the school assembly about who the Child Protection Contacts are and how they can access them.

At Our Lady of the Rosary School, Child Safe Standard 9 is evident through well-supervised and thoughtfully designed physical spaces, proactive risk management, strong online safety practices, staff modelling of safe behaviours, and continuous review of both physical and digital environments to minimise the risk of harm to students.

Our Lady of the Rosary School installed a boundary fence to ensure a pro-active approach to student safeguarding. School gates are locked during the day between the hours of 8:50am and 2:45pm. This allows the school to have control over who is on school grounds while students are present. Students and staff participate in annual Harmony Day and Daniel Morcombe activities. Alongside the Principal, the compliance school officer monitors blue card compliance, volunteer paperwork and 3rd party contracts.

Our Lady of the Rosary School uses feedback surveys to understand whether our child safety initiatives are effective. At weekly leadership meetings, student engagement data is discussed.

⁹ Alignment with National Catholic Safeguarding Standards: Standard 9 Continuous Improvement | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2(6)(a) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s20

Standard 10: Policy and procedures

Policies and procedures document how the entity is safe for children¹⁰

Brisbane Catholic Education's commitment to Standard 10

The Archdiocese of Brisbane Safeguarding Framework guides safeguarding practice across all Catholic entities, including BCE. The BCE Safeguarding Policy sits within this framework and is supported by a range of policies, procedures and guidelines designed to protect student safety and wellbeing. Under the BCE Policy Governance Framework, all policies are reviewed at least every three years through consultation, governance checks and formal approval. This ensures they remain current, reflect best practice and continue to support student safety, wellbeing and cultural safety. Consultation ensures policies reflect lived experience and meet the diverse needs of school communities. BCE is also working to make policies easier to understand and use, including creating child friendly resources. Policies and procedures are accessible to students, families, volunteers and third parties through BCE and school websites, and are available internally to employees through Spire. Safeguarding responsibilities are embedded in the BCE Leadership Capability Framework, ensuring leaders consistently communicate, model and apply policy requirements.

What Standard 10 looks like at our school:

At Our Lady of the Rosary School, we use BCE policies and procedures which are regularly reviewed and updated to ensure they address the requirements of the Child Safe Standards and the Universal Principle and include clear procedures for safeguarding children.

Student protection expectations are clearly outlined in the Staff Handbook, including the Student Protection Flowchart and Child and Youth Risk Management Strategy (CYRMS) references. CYRMS documentation explicitly articulates the school's Catholic commitment to dignity, safety and wellbeing of all students. Safeguarding documentation is accessible to staff and available to families upon request, with provisions for accessibility and translation where required.

The student support team meet weekly, and they plan and review processes.

Key safeguarding processes are explained to parents during parent information nights and regular communications via the school newsletter.

¹⁰ Alignment with National Catholic Safeguarding Standards (NCSS): Standard 10 Policies And Procedures Support The Safety Of Children And Adults | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) s 2 (3-6) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld)
